

EXTERNAL USER REGISTRATION: HOW-TO-GUIDE FOR NEW AND RETURNING USERS

Welcome and thank you for choosing to register to use GE Vernova's products and services!

This guide will walk you through the few simple steps necessary to request a new account for accessing GE Vernova applications and systems, reset your account if you have forgotten your password (for example) or request access to applications directly.

Follow this guide to get set up. If you run into challenges, feel free to use the “Need help?” link and someone from our support team will contact you to assist.

Thanks for registering!

“Home Page” Navigation

Sign In – if you already have an account, use this button to securely sign-in. Once signed-in, you can request access to applications

Click here to start the process to create an account and request application access

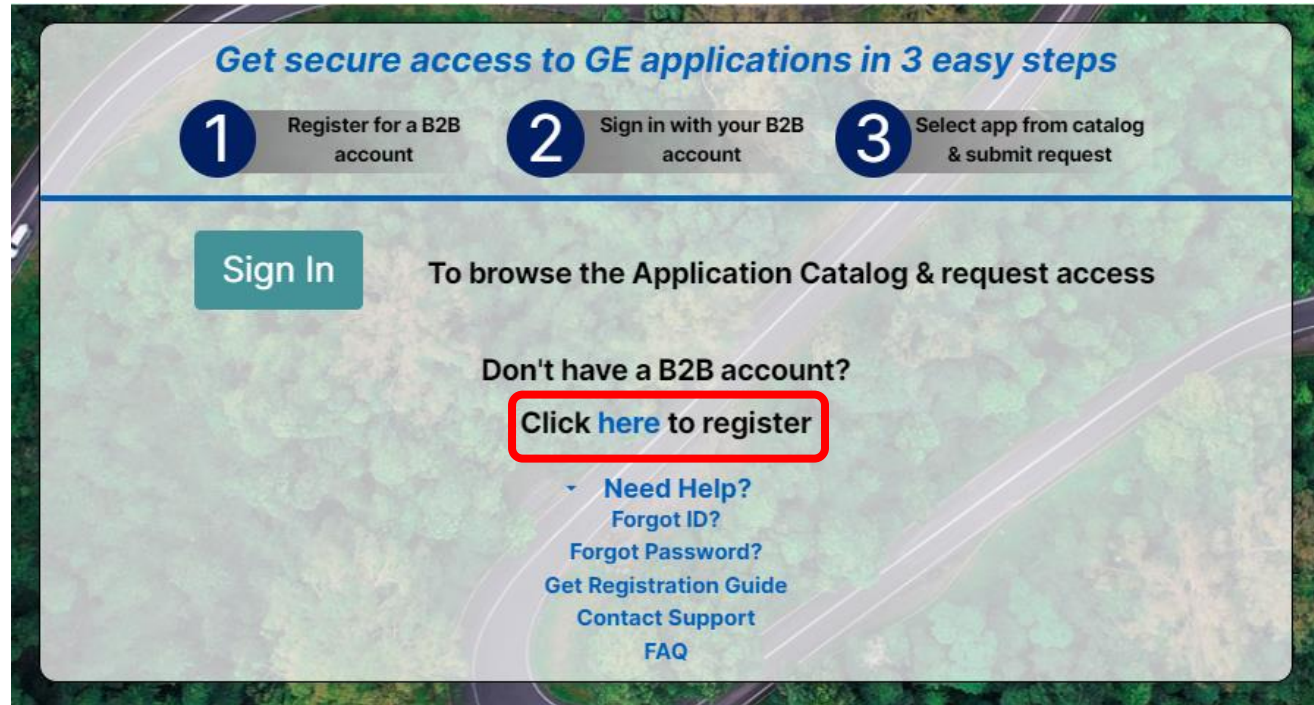

Forgot User ID? & Forgot Password? – choose these options if you cannot recall your user ID or password

Need help?– have a question or an issue related to registration? Use this feature to send us a secure message. One of our representatives will be in touch with you to address your concern / question.

NEW USER REGISTRATION

User ID Creation

1. **Register** – click this to start the process to create an account and request application access

User ID Creation continued

2. **Complete the registration form** – after clicking Register, a new form will appear and ask you for some very basic information. Complete the form in its entirety

As you complete each field the form will validate your entry. If there are no issues with your entry, you will see a green border appear around the entry field as well as a “check” icon – see sample below:

FirstName

If, however, a field fails validation, you’ll be prompted appropriately, and the field will show in a red border

User Name *

testuser

This username is not available

Registration

1 Register for a B2B account

2 Sign in with your B2B account

3 Select app from catalog & submit request

GE requires all of the following information to register new users.

Create your User

No special characters allowed except for: . - @ _

First Name *

Last Name *

Company Name *

Company Email Address *

User Name (SSO) *

Create your password *

Verify your password *

Must have 8 to 15 characters

Must contain lowercase letters

Must contain at least 2 embedded numbers

Must begin and end with a letter

No special characters except for ". - @ _

Must not contain your SSO ID

Set a Security Question *

Create a challenge answer *

Please answer the following three questions referencing the countries listed. This information is needed to comply with applicable laws.

Cuba / Iran / North Korea / Syrian Arab Republic / Sudan / Russia / Ukraine / Belarus

Do you reside in any of the listed countries? *

Yes No

Does any of your work-related activity take place in any of these countries? *

Yes No

Is your company incorporated in any of these countries? *

Yes No

I confirm that the information I have provided is accurate and that I am currently employed by the company I have listed above. *

I agree to GE's Terms and Conditions *

External User Registration:
How-to Guide for New and Returning Users

6

User ID Creation continued

IMPORTANT NOTE: If you already have an **ACTIVE** user account associated to the email address you have entered, you will **not** be able to proceed with registering for a new account. General Electric’s security and compliance requirements and policies limit a person to one (1) account to maintain secure control and traceability of access. This restriction is also reinforced by the standard Terms and Conditions each user acknowledges upon registering.

If you encounter this situation – you have options available to you to either retrieve your current username OR reset your password for your account (in the event you have forgotten it). A link to password reset is available directly in the error prompt provided on screen (sample below). If you forgot your existing username, simply return to the Home Page and choose “Forgot User Id”

Company Email Address *	User Name (SSO) ⓘ *
<input type="text" value="john.smith@testco.com"/>	<input type="text" value="john.smith@testco.com"/>
<p>This email address is already associated with an account. You can reset your password if needed.</p>	<p>This username is not available</p>

User ID Creation continued

IMPORTANT NOTE: While registering for new B2B SSO, only company issued email should be used. Use of personal email addresses, leveraging public email domains (such as Gmail.com, Yahoo.com etc.) is not allowed.

What if a user encounters this and they have no other email address: This will occur, we realize, and users will be directed to generate their own company-owned domain account. Given the wide variety of services available today, businesses can quickly sign-up for and start using a new business-owned domain in as little as 30 minutes at very low rates. Services* such as Bluehost, GoDaddy, 1and1, HostGator, Google's Gsuite and many others offer a variety of services to choose from and provide users with customizable email options.

* **Note:** GE does not sponsor nor partner with these brands/companies. We are only providing these as available selections for external parties.

Company Email Address *

✉ john.smith@gmail.com

Email addresses from this domain are not currently allowed (e.g. public or restricted domain). Leverage your company-issued email address to continue.

User ID Creation continued

IMPORTANT NOTE: several of these questions (shown at the right) are mandatory for legal and compliance purposes **ensuring we protect the data and intellectual property of you, your company and GE.**

If you have a question or concern about any of these questions, consult with your appropriate business management / sourcing representative.

Please answer the following three questions referencing the countries listed.
This information is needed to comply with applicable laws.

Cuba / Iran / North Korea / Syrian Arab Republic / Sudan / Russia / Ukraine / Belarus

Do you reside in any of the listed countries? *

☐ Yes ☐ No

Does any of your work-related activity take place in any of these countries? *

☐ Yes ☐ No

Is your company incorporated in any of these countries? *

☐ I confirm that the information I have provided is accurate and that I am currently employed by the company I have listed above. *

☐ I agree to [GE's Terms and Conditions](#) *

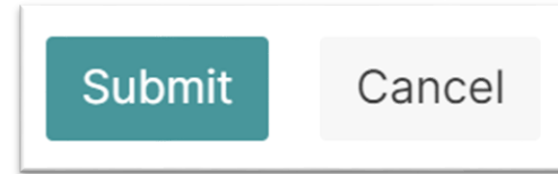

User ID Creation continued

3. **After you complete the registration form**, you will see a “Submit” button become active at the bottom of the screen. Click “Submit” to proceed.

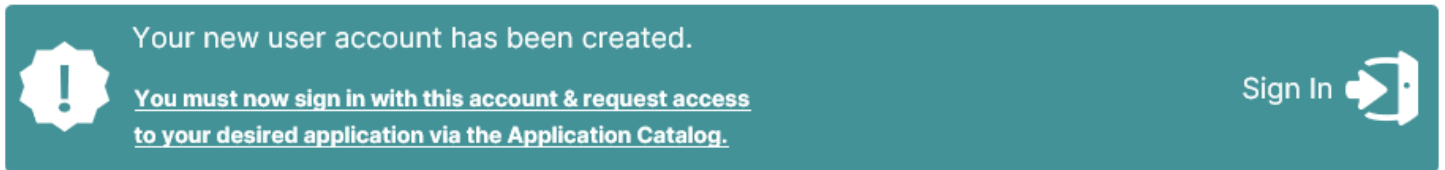

Your information be reviewed one final time to ensure all fields are properly filled out. Upon successful validation and submission of your data, you will see a confirmation message and be prompted to sign in.

Why do you have to sign-in? This is an increased security precaution to ensure your information is not being compromised or entered by a bot / robot.

Click on the “**Continue**” button and enter your new username and password to request access to application(s).

Submit Cancel

 Your new user account has been created.
You must now sign in with this account & request access to your desired application via the Application Catalog. Sign In

EXISTING / RETURNING USERS

Existing / Returning Users

1. From the home page, click “Sign In” to login with your existing account.

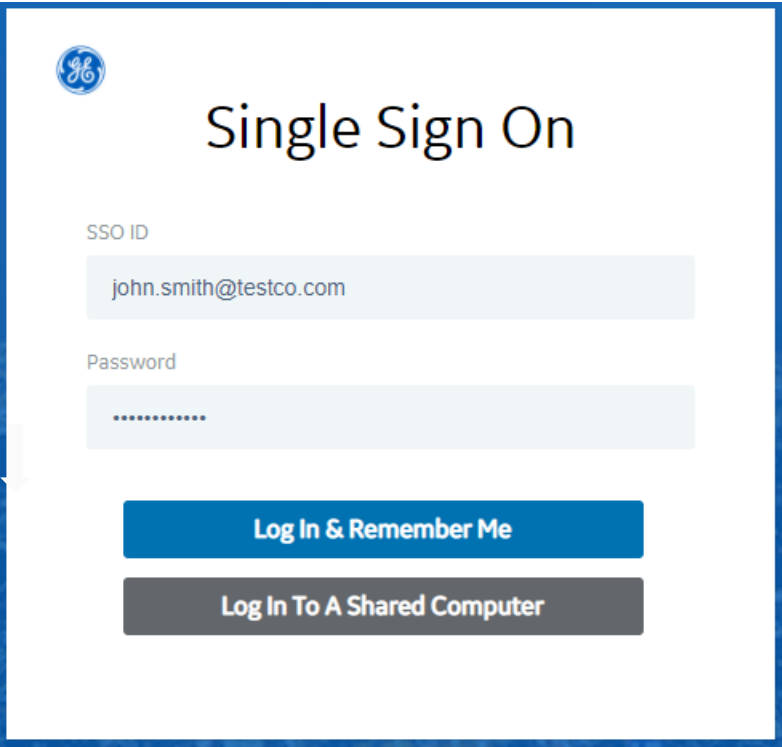

Existing / Returning Users continued

2. **When prompted**, enter your username (also referred to as SSO ID) and password.

Upon successful login, you'll be presented with the **Application Catalog** to request access to a specific application.

The image shows the first step of the Single Sign On process. It features the GE logo in the top left corner. The title "Single Sign On" is centered at the top. Below the title, there is a label "SSO ID" followed by a text input field containing the email address "john.smith@testco.com". At the bottom center, there is a blue button labeled "Next".

The image shows the second step of the Single Sign On process. It features the GE logo in the top left corner. The title "Single Sign On" is centered at the top. Below the title, there are two input fields: "SSO ID" with the value "john.smith@testco.com" and "Password" with masked characters ".....". At the bottom, there are two buttons: a blue button labeled "Log In & Remember Me" and a grey button labeled "Log In To A Shared Computer".

Application Catalog: Submitting a request

1. The Application Catalog functions much like an online shopping site.

Select one or more applications from the Application Catalog. Use the “Add” button next to each application to select (or de-select). This feature adds – or removes – the item from your “cart” or “basket”

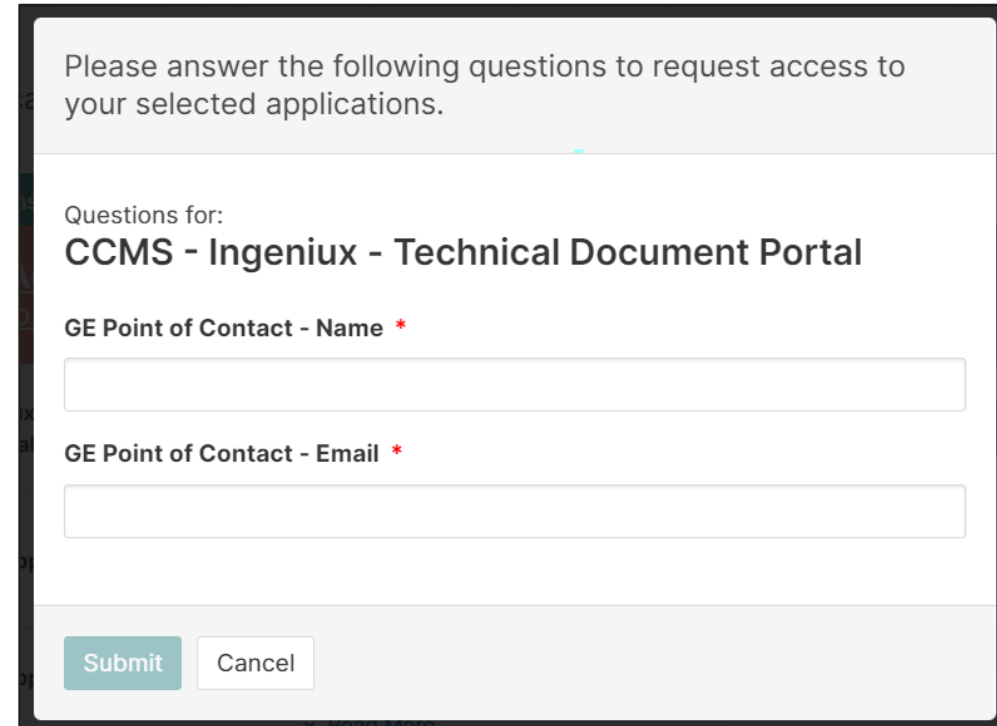

2. Once one or more applications are selected, the “**Request Access**” link becomes available at the top of the Application Catalog. Click it to continue.

Request Access
Click here to request access to your applications.

Application Catalog: Submitting a request continued

3. Once you click “Request Access”, you will see a **modal / pop-up form** appear. This form *may* have additional questions based on your selections. These vary by application and are mandatory for requesting application access (i.e., Each application may require more information from you before allowing access. This is done to validate your identity, association with a particular company and ensure you gain the right level of access.)
4. Once you have answered all required questions, click “**Submit**” to process your request.
5. Click “**Cancel**” to exit the pop-up window and return to the Application Catalog.

Please answer the following questions to request access to your selected applications.

Questions for:
CCMS - Ingeniux - Technical Document Portal

GE Point of Contact - Name *

GE Point of Contact - Email *

Application Catalog: Submitting a request continued

6. After you click “**Submit**”, you will receive a confirmation message indicating your request has been sent for processing. Close the window as directed to return to the Application Catalog.

If you receive an error message, there may be an issue processing your request at this time. You may either try again a little later or use the “**Need help? Contact Us**” feature to send us a ticket detailing your issue.

7. After successful submission, you will see the status for your selected application(s) change to “**Pending**”.

This status will be updated as your request is processed reviewed and processed by the application team.

Please answer the following questions to request access to your selected applications.

FORGOT USER ID?

Forgot User ID?

Purpose: Use this feature to retrieve your user id
How:

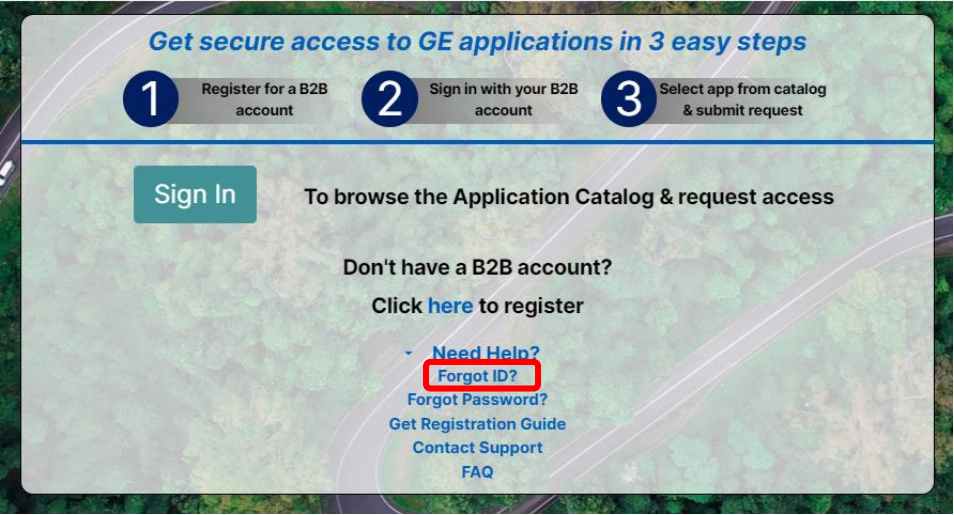

1) From the home page, click the “Forgot ID?” link – this will open a new page.

2) Follow the instructions on screen to retrieve your account information. Enter your email address and click Submit

3) If the system recognizes the email address you provided, you will see a confirmation message on screen and an email with the user account / id will be sent.

An e-mail message with your USER ID(s) has been sent

Please close your browser window.

A screenshot of the "Forgot User ID?" form. It has a title "Forgot User ID?" and a label "Enter Email Address". There is an input field with a placeholder "Enter Email Address" and an email icon. Below it is a label "Confirm Email Address" and another input field with a placeholder "Confirm Email Address" and an email icon. At the bottom right are two buttons: "Submit" and "Cancel".

If no information is available for the entered email address, you will see this message:

No USER ID(s) were found for your specified e-mail address

[Continue](#)

GE VERNOVA

FORGOT PASSWORD?

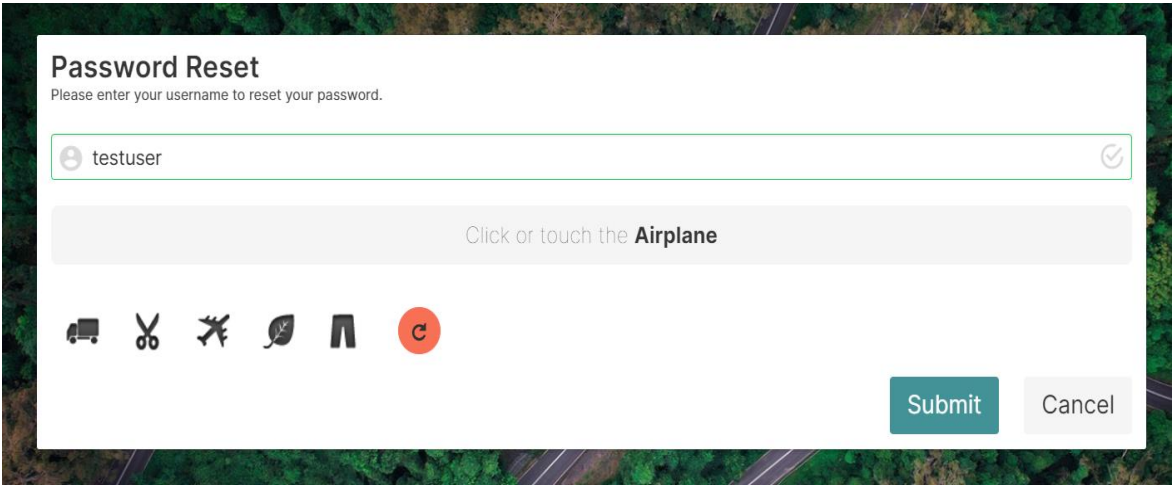

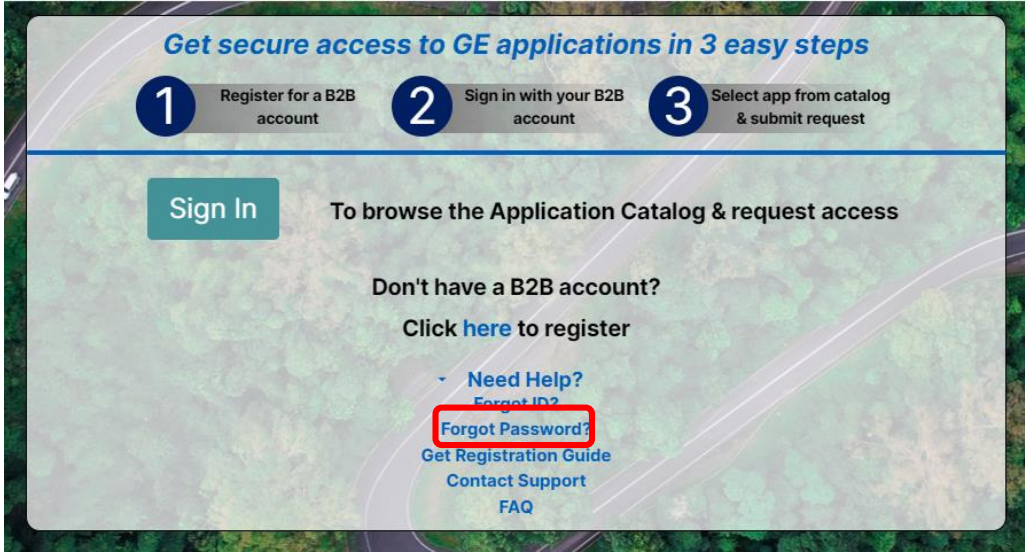

Forgot Password?

Purpose: Use this feature to reset your password
How:

1) From the home page, click the “Forgot Password?” link – this will open a new page.

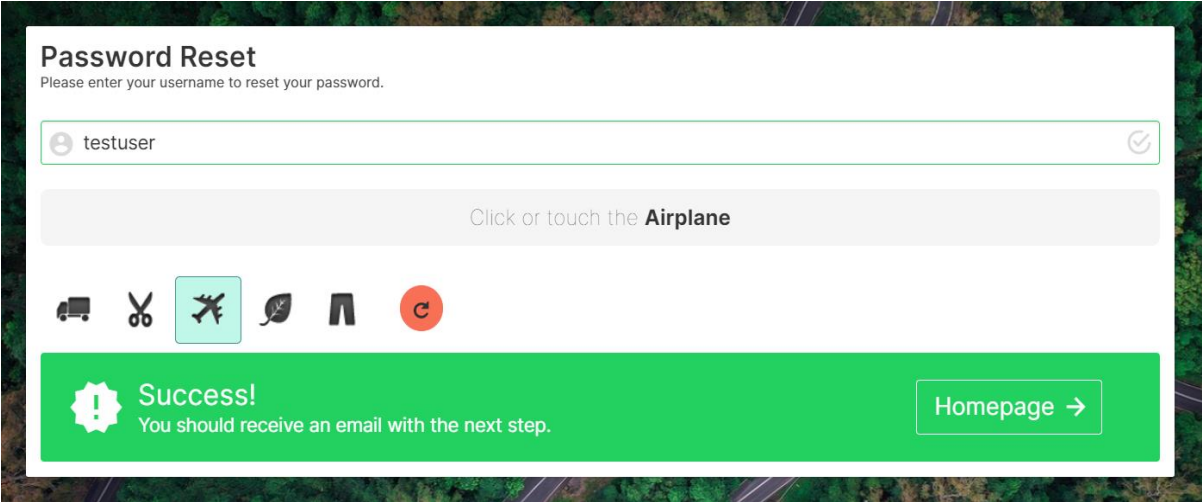

2) Follow the instructions on screen: enter your user id and complete the security check.

Click “**Submit**” to continue.

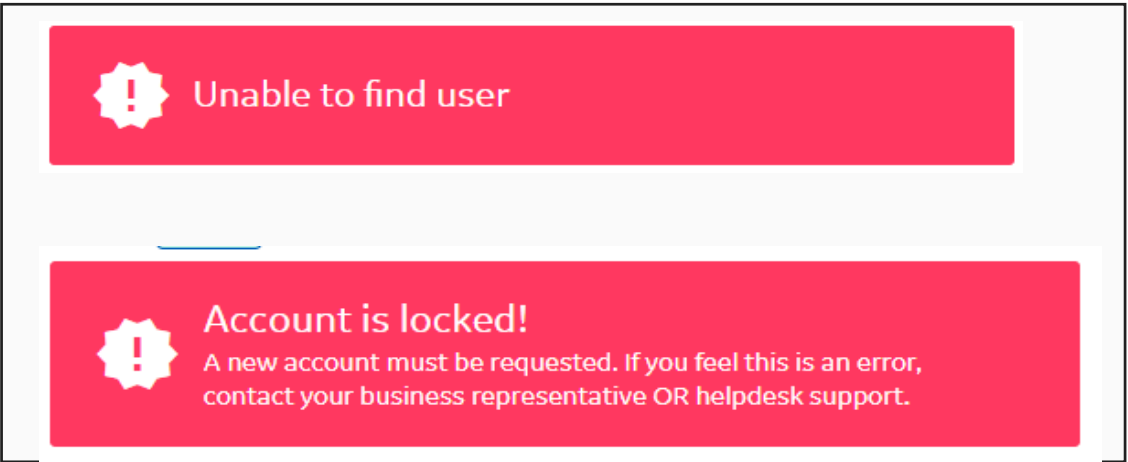

Forgot Password?

3) If the account is recognized, you will receive a confirmation message on screen (see picture to right). Additionally, an email will be sent to the account on file.

If there is no existing account **OR** the username you entered is locked / inactive, you will receive a message similar to those at right. If you feel you are getting these messages in error, use the “Need help?” feature to contact our team.

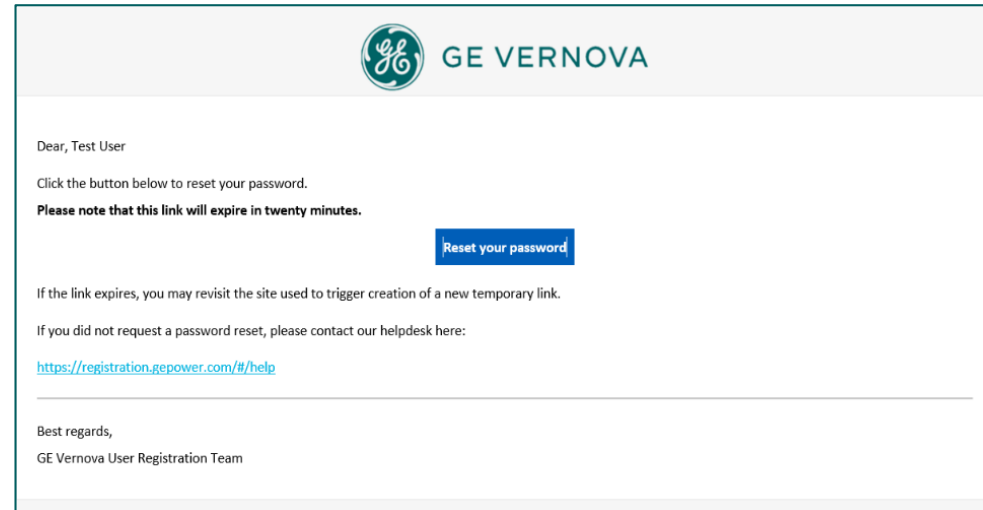

Possible error messages seen during reset

Forgot Password?

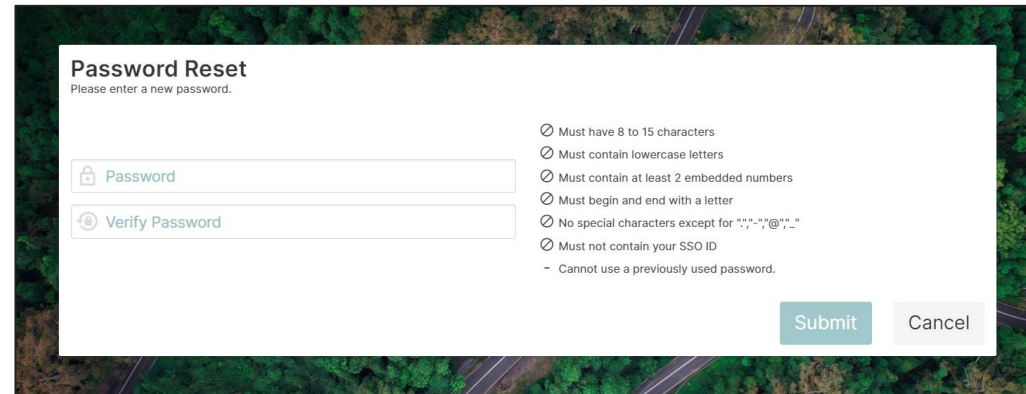

4) An email is sent to your account on file. Click the “Reset your password” link. Note this link is temporary and will expire as indicated.

5) You will be redirected to a new, secure window to update your password. Follow the instructions on screen and click “Submit”

6) Once updated, you'll receive a "Success" message and be allowed to sign-in with your new password.

Email message and secure temporary link for password reset

Confirmation message for successful password reset

Confirmation message for successful password reset

Can't find what you're looking for?

Use the “Need help?” feature described earlier in this document to submit a question or request additional help from our team. Our team can answer questions related to user registration and requesting applications through the application catalog.

Requests to sign-up for services or partnerships not related to user registration are not in the scope of our control and must be addressed by your local sourcing / helpdesk team or GE contact.
