

External User Registration: How-to Guide for New and Returning Users

Welcome and thank you for choosing to register to use GE Power's products and services!

This guide will walk you through the few simple steps necessary to request a new account for accessing GE Power applications and systems, reset your account if you have forgotten your password (for example) or request access to applications directly.

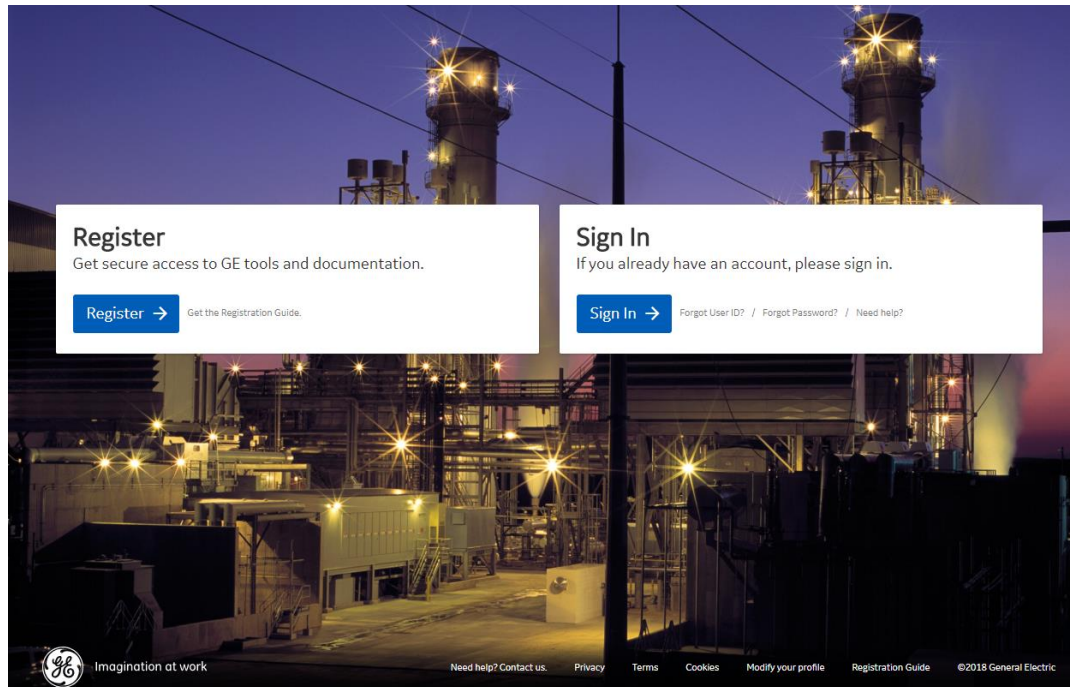

Follow this guide to get set up. If you run into challenges, feel free to use the “Need help?” link and someone from our support team will contact you to assist.

Thanks for registering!

“Home Page” Navigation

- **Register** – click this to start the process to create an account and request application access
- **Sign In** – if you already have an account, use this button to securely sign-in. Once signed-in, you can request access to applications
- **Forgot User Id? & Forgot Password?** – choose these options if you cannot recall your user id or password
- **Need help?**– have a question or an issue related to registration? Use this feature to send us a secure message. One of our representatives will be in touch with you to address your concern / question.

New User Registration

User ID Creation

1. **Register** – click this to start the process to create an account and request application access

User ID Creation continued

2. **Complete the registration form** – after clicking Register, a new form will appear and ask you for some very basic information. Complete the form in its entirety

As you complete each field the form will validate your entry. If there are no issues with your entry, you will see a green border appear around the entry field as well as a “check” icon – see sample below:

FirstName

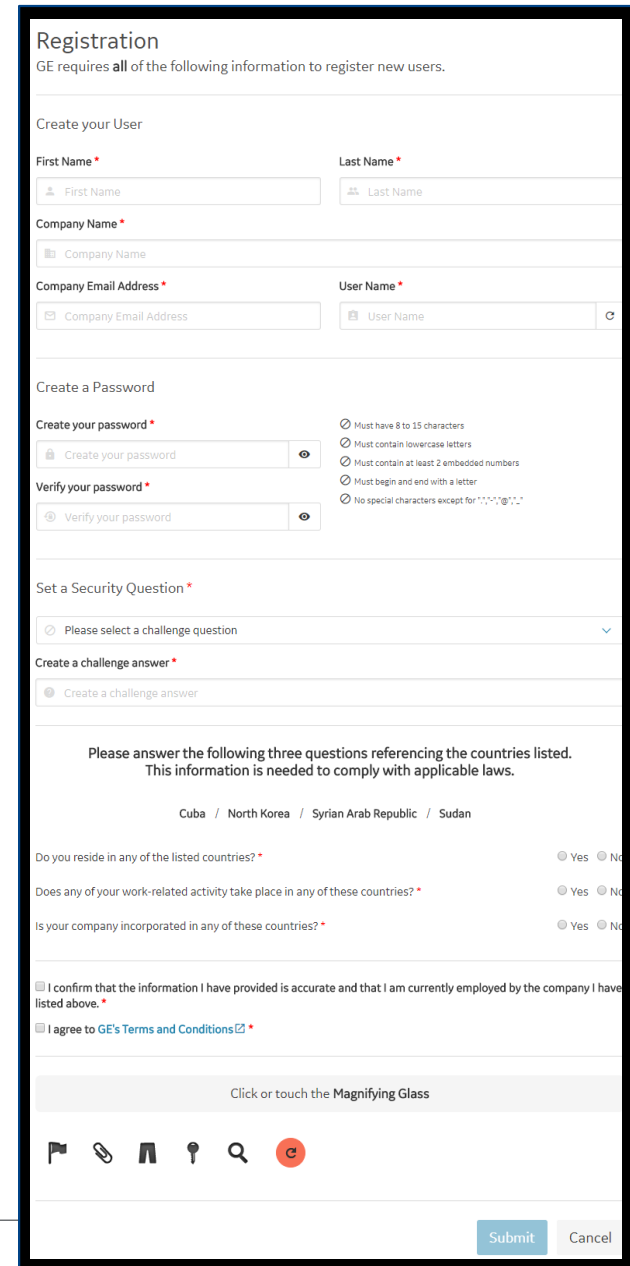

If, however, a field fails validation, you'll be prompted appropriately and the field will show in a red border

Submit Cancel

User ID Creation continued

IMPORTANT NOTE: If you already have an **ACTIVE** user account associated to the email address you have entered, you will **not** be able to proceed with registering for a new account. General Electric's security and compliance requirements and policies limit a person to one (1) account to maintain secure control and traceability of access. This restriction is also reinforced by the standard Terms and Conditions each user acknowledges upon registering.

If you encounter this situation – you have options available to you to either retrieve your current user name OR reset your password for your account (in the event you have forgotten it). A link to password reset is available directly in the error prompt provided on screen (sample below). If you forgot your existing user name, simply return to the Home Page and choose “Forgot User Id”

Company Email Address *	User Name *
<input type="text" value="mspents@gmail.com"/>	<input type="text" value="mspents@gmail.com"/>
<small>This email address is already associated with an account. You can reset your password if needed.</small>	<small>This username is not available</small>

User ID Creation continued

IMPORTANT NOTE: several of these questions (shown at the right) are mandatory for legal and compliance purposes **ensuring we protect the data and intellectual property of you, your company and GE.**

If you have a question or concern about any of these questions, consult with your appropriate business management / sourcing representative.

Please answer the following three questions referencing the countries listed.

3. After you complete the registration form, you will see a “Submit” button become active at the bottom of the screen. Click “Submit” to proceed.

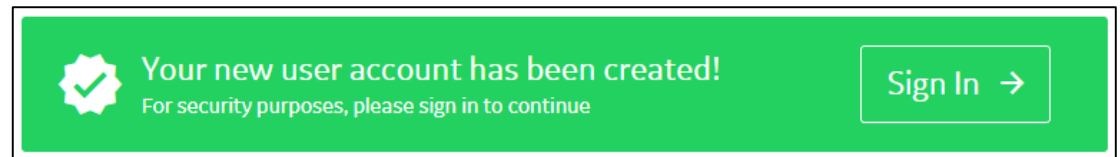

Your information be reviewed one final time to ensure all fields are properly filled out. Upon successful validation and submission of your data, you will see a confirmation message and be prompted to sign in.

Why do you have to sign-in? This is an increased security precaution to ensure your information is not being compromised or entered by a bot / robot.

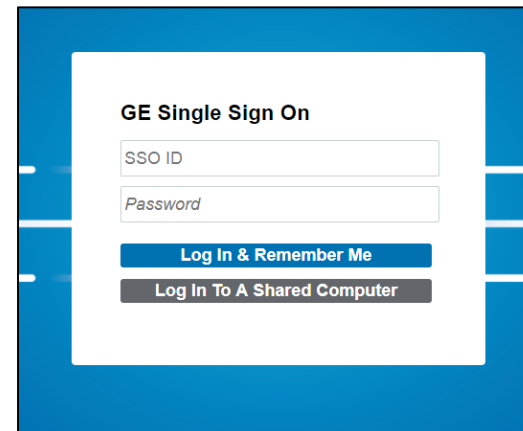

Click “Sign In” and enter your new user name and password to request access to application(s).

A rectangular box containing two buttons. On the left is a blue button with the text "Submit" in white. On the right is a light gray button with the text "Cancel" in gray.

A green horizontal banner with a white checkmark icon on the left. The text reads: "Your new user account has been created!" followed by "For security purposes, please sign in to continue". On the right side of the banner is a white button with the text "Sign In →".

A login form titled "GE Single Sign On" inside a blue frame. It contains two input fields: "SSO ID" and "Password". Below the fields are two buttons: "Log In & Remember Me" (blue) and "Log In To A Shared Computer" (gray).

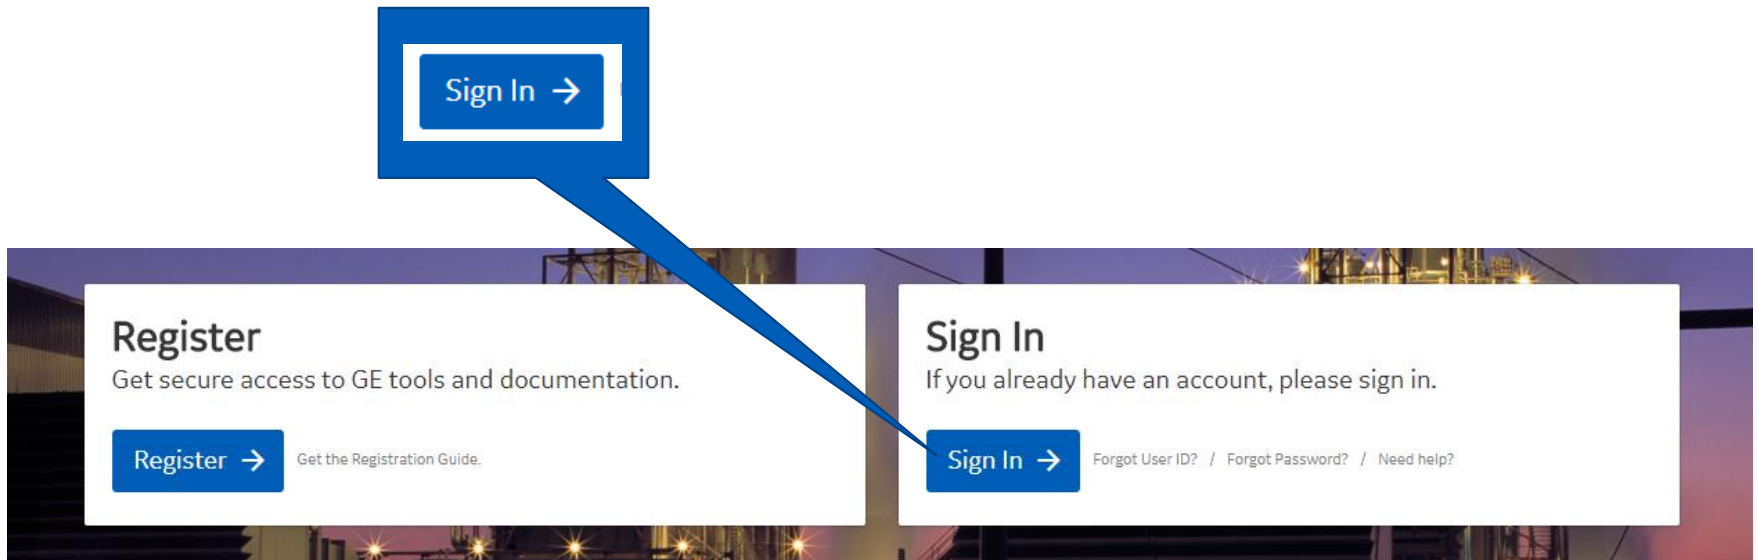

Existing / Returning Users

Existing / Returning Users

1. From the home page, click “Sign In” to login with your existing account.

Application Catalog

Application Catalog

Note: you must have an existing account or have created a new id to access this section.

The screenshot displays the GE Application Catalog interface. At the top, the GE logo is followed by the text 'Application Catalog'. On the right, there is a user profile icon labeled 'Test User' with a dropdown arrow. Below the header, there are three tabs: 'All Applications' (selected), 'Customer Apps', and 'Supplier Apps'. To the right of these tabs is a search bar with the placeholder text 'Search by Name, Description, Category or Keywords' and a magnifying glass icon. The main content area is divided into two columns. The left column, titled 'PRODUCT & SERVICES', contains a 'RESET' button and a list of categories with radio buttons: Aero, Aging, Collaboration, Customer Experience, Digital Thread, Documentation, Drilling, Gas Engines, Generators, Heavy Duty Gas Turbines, Incoterm, and Logistics. The right column is a table with two columns: 'APPLICATION NAME' and 'APPLICATION DESCRIPTION'. It lists five applications, each with a description and a '+ Add' button. The applications are: AP Self Service (APSS), BHGE OTM, CAPRO, Clear Orbit (Supplier Collaboration), and engageDrilling - Oil & Gas. Each application entry also includes a 'Read More' link.

Application Catalog: Descriptions

The options here allow you to filter the application list by user type: Customer or Supplier facing applications. Some apps are listed under both categories.

Use the Search capability to find apps by any keyword or phrase

The screenshot shows the GE Application Catalog interface. At the top left is the GE logo and the text "Application Catalog". At the top right is a user profile icon labeled "Test User" with a dropdown arrow. Below the header is a navigation bar with three tabs: "All Applications" (highlighted with an orange box), "Customer Apps", and "Supplier Apps". To the right of the tabs is a search bar with the placeholder text "Search by Name, Description, Category or Keywords" and a magnifying glass icon (highlighted with a blue box). On the left side, there is a "PRODUCT & SERVICES" sidebar with a "RESET" button and a list of categories with radio buttons: Aero, Aging, Collaboration, Customer Experience, Digital Thread, Documentation, Drilling, Gas Engines, Generators, Heavy Duty Gas Turbines, Incoterm, and Logistics (highlighted with a green box). The main content area is a table with two columns: "APPLICATION NAME" and "APPLICATION DESCRIPTION". It lists five applications: AP Self Service (APSS), BHGE OTM, CAPRO, Clear Orbit (Supplier Collaboration), and engageDrilling - Oil & Gas. Each row has a "+ Add" button and a "Read More" link. The table is highlighted with a blue box.

Use this section to filter applications by various Products & Services (i.e. category)

Note: values on your screen may differ from image(s) above

Application Catalog: Submitting a request

1. The Application Catalog functions much like an online shopping site.

Select one or more applications from the Application Catalog. Use the “Add” button next to each application to select (or de-select). This feature adds – or removes – the item from your “cart” or “basket”

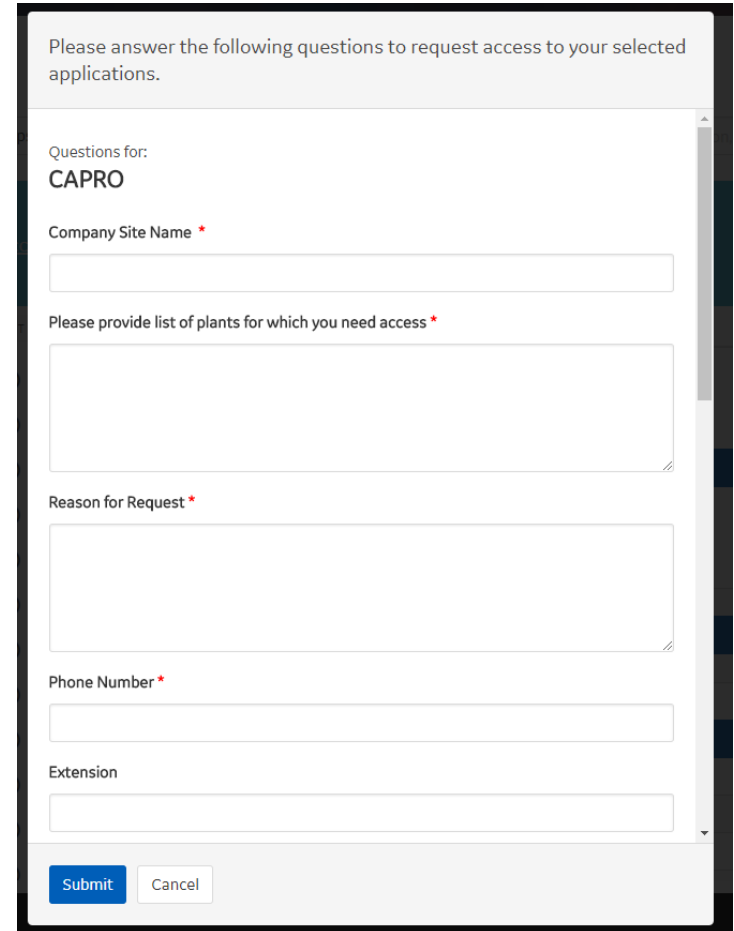

2. Once one or more applications are selected, the “Request Access” link becomes available at the top of the Application Catalog. Click it to continue.

Application Catalog: Submitting a request continued

3. Once you click “Request Access”, you will see a **modal / pop-up form** appear. This form *may* have additional questions based on your selections. These vary by application and are mandatory for requesting application access (i.e. Each application may require more information from you before allowing access. This is done to validate your identity, association with a particular company and ensure you gain the right level of access.)
4. Once you have answered all required questions, click “**Submit**” to process your request.
5. Click “**Cancel**” to exit the pop-up window and return to the Application Catalog.

Please answer the following questions to request access to your selected applications.

Questions for:
CAPRO

Company Site Name *

Please provide list of plants for which you need access *

Reason for Request *

Phone Number *

Extension

Submit Cancel

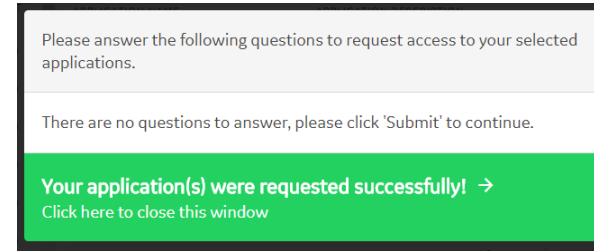

Application Catalog: Submitting a request continued

6. After you click **“Submit”**, you will receive a confirmation message indicating your request has been sent for processing. Close the window as directed to return to the Application Catalog.

If you receive an error message, there may be an issue processing your request at this time. You may either try again a little later or use the **“Need help? Contact Us”** feature to send us a ticket detailing your issue.

7. After successful submission, you will see the status for your selected application(s) change to **“Pending”**.

This status will be updated as your request is processed reviewed and processed by the application team.

CAPRO	Pressure part's condition assessment, performance, reliability and optimization online portal. ^ Show Less	 Pending
-------	---	--

Application Catalog: Submitting a request continued

8. Once your request is fully approved by the application team(s), you will receive a confirmation notice at the provided email address.
9. Durations vary but requests are usually processed within 3-10 business days.
10. If you have not received a confirmation (or rejection) notice within this time, contact your application support representative for assistance.

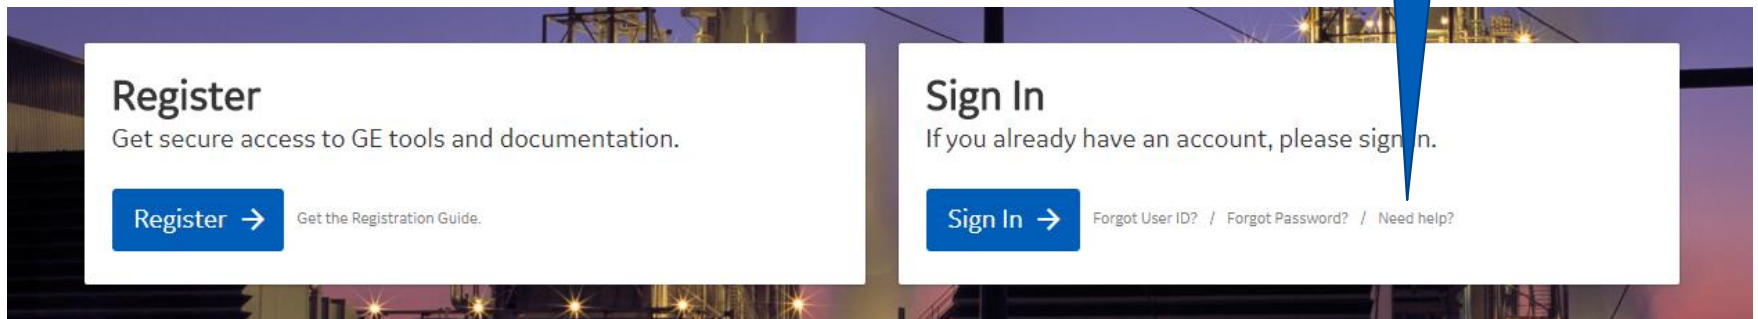

Need help? Contact Us

Need help? Contact Us

1. From the home page, click “Need help” to file a ticket or raise a question to the Registration Support team.

Reminder: this feature is used for questions or issues directly related to the **Registration system**. Questions or issues about specific applications need to be addressed by those teams. Thanks!

Need help? Contact Us

2. Complete **all** fields, providing as much detail as you can about your question / issue.

3. Once you complete all fields, you will be able to click the “Submit” button to send your request to our support team

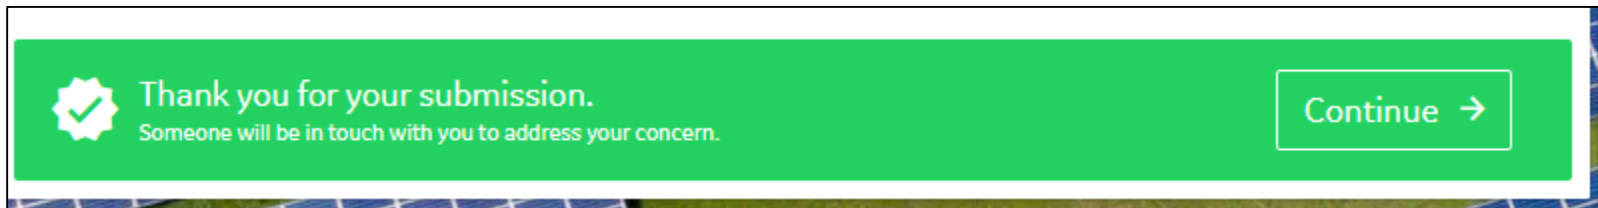

The screenshot shows a mobile application interface for a helpdesk. At the top, it says 'Helpdesk Contact Information'. Below this, there are three sections: 'ON-CALL NUMBER' with a phone icon and the number '1-(866)-770-5248'; 'EMAIL' with an envelope icon and the address 'psesourps@ps.ge.com'; and 'DISTRIBUTION LIST' with a list icon and the entry '@POWER B2BReg & SAM L2 Support'. The next section is 'Please provide your information', which contains four input fields: 'First Name' (with a person icon), 'Last Name', 'Company Email Address' (with an envelope icon), and 'Phone Number' (with a phone icon). Each of these four fields has a red error message below it that says 'This field is required.'. Below these is a large text area for 'Please describe your issue.', which has a red error message below it stating 'This field is required, and must contain at least 10 characters.'. The next section is 'Best way to contact you?' with radio buttons for 'Email' and 'Phone', and a red error message below it that says 'This field is required.'. At the bottom of the form is a grey button labeled 'Click or touch the Pants'. Below this button is a row of six icons: a pair of sunglasses, a person, a pair of pants, an alarm clock, a car, and a red circle with a white 'C'. At the very bottom right of the screen are two buttons: 'Submit' and 'Cancel'.

Need help? Contact Us

4. Once you have completed your submission, you will receive a confirmation message.

Use the “Continue” button to navigate back to the home page of the Registration system.

Forgot User ID?

Forgot User ID?

Purpose: Use this feature to retrieve your user id

How:

1) From the home page, click the “Forgot User ID?” link – this will open a new page.

2) Follow the instructions on screen to retrieve your account information. Enter your email address and click Submit

A screenshot of the GE Single Sign On page. The page has a blue header with the GE logo and "Single Sign On". Below the header is a navigation bar with links: "SIGN UP NOW!", "NEED HELP?", "MODIFY YOUR ACCOUNT", "SYNCHRONIZE YOUR PASSWORD", "FORGOT YOUR USER ID", and "FORGOT YOUR PASSWORD". The main content area has a heading "Enter your email address in each text box below. When you're done, click the submit button. We will send your SSO ID to the address you've entered." Below this are two text boxes labeled "Email Address:" and "Re-enter Email Address:". At the bottom is a blue button labeled "Submit".

3)

If the system recognizes the email address you provided, you will see a confirmation message on screen and an email with the user account / id will be sent.

An e-mail message with your USER ID(s) has been sent

Please close your browser window.

If no information is available for the entered email address, you will see this message:

No USER ID(s) were found for your specified e-mail address

Forgot Password?

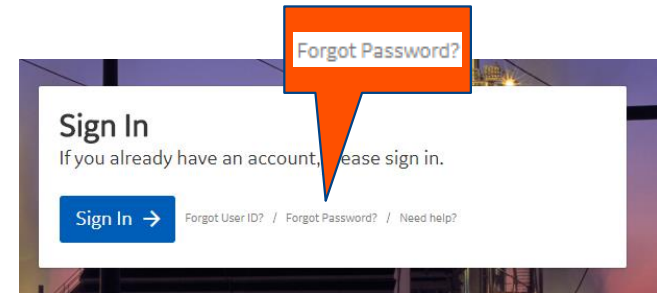

Forgot Password?

Purpose: Use this feature to reset your password

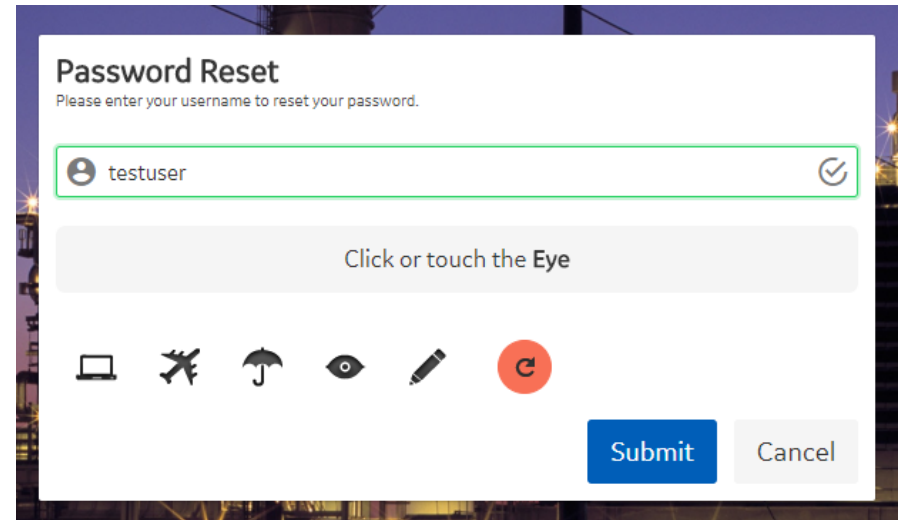

How:

1) From the home page, click the “Forgot Password?” link – this will open a new page.

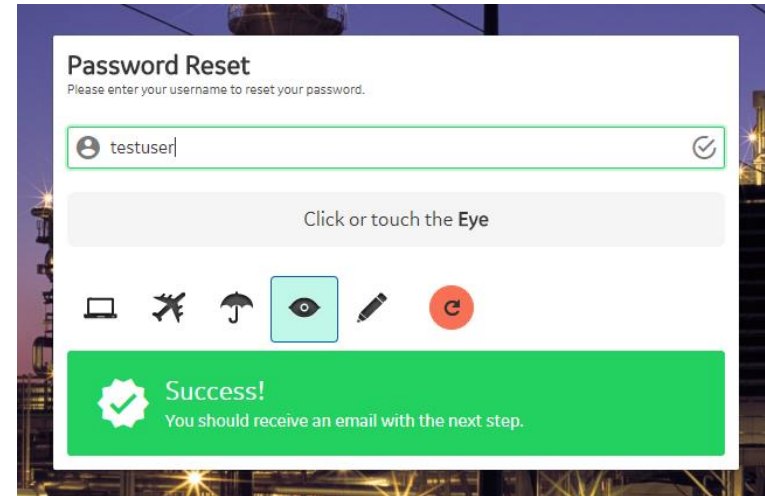

2) Follow the instructions on screen: enter your user id and complete the security check.

Click “Submit” to continue.

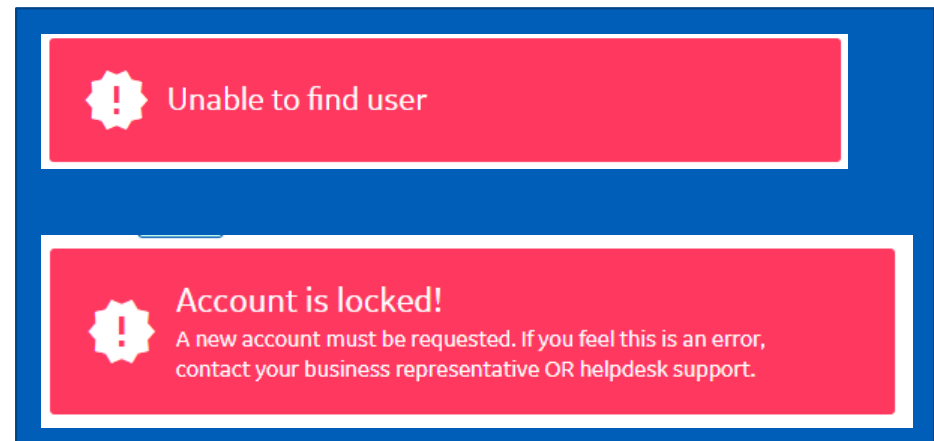

Forgot Password?

3) If the account is recognized, you will receive a confirmation message on screen (see picture to right). Additionally, an email will be sent to the account on file.

If there is no existing account **OR** the user name you entered is locked / inactive, you will receive a message similar to those at right. If you feel you are getting these message in error, use the “Need help?” feature to contact our team.

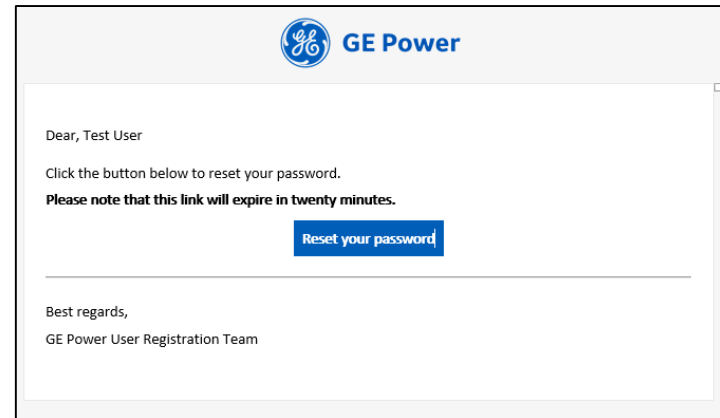

Possible error messages seen during reset

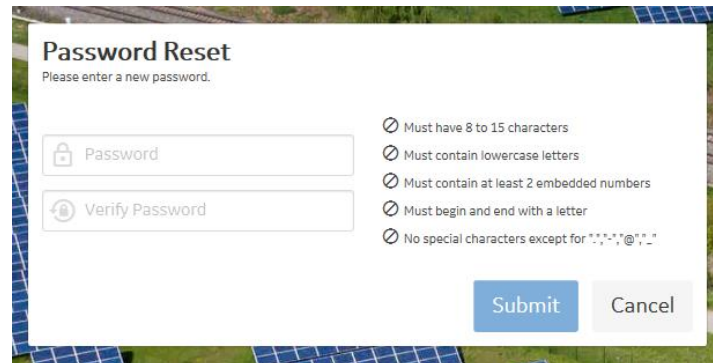

Forgot Password?

4) An email is sent to your account on file. Click the “Reset your password” link. Note this link is temporary and will expire as indicated.

Email message and secure temporary link for password reset

5) You will be redirected to a new, secure window to update your password. Follow the instructions on screen and click “Submit”

A screenshot of a web form titled "Password Reset". It asks the user to "Please enter a new password." and features two input fields: "Password" and "Verify Password". To the right of the fields are five password requirements, each with a checkmark icon: "Must have 8 to 15 characters", "Must contain lowercase letters", "Must contain at least 2 embedded numbers", "Must begin and end with a letter", and "No special characters except for '._@-'" (Note: the original image has a typo in the last requirement). At the bottom right are "Submit" and "Cancel" buttons.

Confirmation message for successful password reset

6) Once updated, you’ll receive a “Success” message and be allowed to sign-in with your new password.

Confirmation message for successful password reset

Can't find what you're looking for?

Use the “Need help?” feature described earlier in this document to submit a question or request additional help from our team. Our team can answer questions related to user registration and requesting applications through the application catalog.

Requests to sign-up for services or partnerships not related to user registration are not in the scope of our control and must be addressed by your local sourcing / helpdesk team or GE contact.
